## Team Updates

The opening orientation was a major success! New members learned about our team and dove into their chosen subteam's curriculum. The Kiwanis event was rewarding, as members got to interact with families and different youth organizations.

## Technical Updates

Family Expo Night at Kiwanis Club of Rancho Murieta!

We are adding multicolored LEDs to our main season robot in preparation for Capital City Classic to assist our human player and our drivers, while also teaching new members the modified curriculum. We are also creating and experimenting with prototypes of the modular bot.

## Outreach Updates

- Check out our ScoutReach program!
  - To book a session for your Troop, visit [Team2073.com/ScoutReach](http://Team2073.com/ScoutReach)
- We are currently planning a new outreach initiative called CAP (Connect, Assist, Play) to host programming workshops for kids with disabilities

## Burgers and Bots

The fundraiser was a huge success, and we thank everyone for coming out! Our members sold over 300 tickets, and the top 6 sellers got to pie a mentor!
